Mr Geo. M. Weiss  
Ruppert Stadium  
Newark N. Jersey

Dear Mr Weiss:

I am writing to ask if you will grant me an interview some time during the first week in December. I am asking this of you because The Eagles have played in Newark the past nine years, and we are now confronted with some problems I would like to discuss with you.

I have just received notice our leagues are meeting in Chicago Dec. 12th, and want to talk to you before then if possible.

I will come to New York to your office if you want me to, or we could meet in Newark if you are comming here at any time. My private phone number is Market3-0555.

I will greatly appreciate hearing from you as soon as possible.

Very Truly Yours
